

BUDGET STRETCHING TRAVEL IDEAS

Online Travel Tools

(NAPSA)—Whether traveling for business or pleasure, customers today are in search of low fares, friendly service and convenient travel tools. These travel tips can help you plan your next trip at the right price.

Booking flights online may mean lower airfare.

✓ **Online Deals**—Save money and time by purchasing your tickets online. Spirit Airlines' Syber Specials are available most weekends.

✓ **Upgrade for Less**—Upgrade to Spirit Plus for wide leather seating, complimentary cocktails and snacks, dedicated check-in, priority boarding and more, for just \$40 on the day of departure at the ticket counter.

✓ **Cheap Dates**—Ticket prices are usually less when traveling on Tuesdays or Wednesdays. Spirit's low fares never require an advance purchase or a minimum stay.

✓ **Plan Ahead and Save**—Plan your trip just before or after traditional holiday travel times to avoid higher fares and the inevitably crowded airports.

Reservations can be made online at spiritair.com, by calling toll free at 1-800-772-7117 or through travel agents. Some restrictions may apply.
