

## The Secrets Of Affordable Air Travel

(NAPSA)—Are you traveling on a budget? Many travelers are seeking lower airline fares to popular travel destinations coast-to-coast.

Spirit Airlines, the low-fare specialist, offers the following tips to help you plan your next trip at the right price.

**Day Planner.** Ticket prices are usually less when traveling on Tuesdays or Wednesdays. Spirit's low fares never require an advance purchase or a minimum stay. Low one-way fares are available.

**Point, Click and Fly.** Save money and time by purchasing your tickets online. In addition to everyday low fares, Spirit's *Syber Specials* are available for sale every weekend with the lowest possible fares to many popular destinations. To receive *Syber Specials* each week, register at [www.spiritair.com](http://www.spiritair.com).

**Rainy Day Travel.** Avoid peak travel times. Plan your trip just before or after traditional holiday travel times to avoid higher fares and crowded airports. Spirit offers 95 daily departures from 15 cities coast-to-coast.

Reservations can be made online at [www.spiritair.com](http://www.spiritair.com), by calling toll free at 1-800-772-7117 or through local travel agents.
