## Cast Your Vote On The Carpet

(NAPSA)—The GRAMMY Awards show may be why everyone's there, but many would agree, the carpet's where the fun really begins.

The recording industry gets to vote on the most talented artists in music—but one sponsor of this year's GRAMMY Award asks the questions the public really wants answered:

**Who will be the big winners on the carpet *before* the GRAMMY's this year?**

- Which artist will make the most outrageous fashion statement walking the carpet?
- Who has the "Bling" factor for '04?
- Which celebrity couple will get the most attention on the carpet?
- Who will rule the carpet at the GRAMMY's?

You can let your voice be heard, see how your votes compare with leading industry executives, music editors and radio personalities and help determine the winners.

If you are 21 years of age or older, the GRAMMY sponsor, Heineken, encourages you to cast your vote at [Heineken.com](http://Heineken.com).
