

Flavored Drinks

(NAPSA)—Today's 20-somethings are branching out beyond beer and wine, re-discovering classic drinks and enjoying new taste sensations by incorporating favorite flavors in cocktails.

Interest is perking in coffee-flavored cocktails.

Bartenders across the country are seeing an increase in the popularity of flavored cocktails, including the Kahlúa Black Russian, a tasty mix of coffee-flavored Kahlúa and vodka, and the Kahlúa Mudslide, a smooth, cool, icy coffee drink that is a perfect choice for refreshment during the warmer months.

Kahlúa Black Russian

Pour one part Kahlúa and 1½ parts Stoli vodka over ice. Stir. Then immerse yourself.

Kahlúa Mudslide

Blend ½ part Kahlúa, ½ part Carolans Irish Cream Liqueur, 1 part Stoli vodka and 1 part milk or cream with ice.

Kahlúa is the coffee-flavored spirit that is unconventionally versatile and can be made into more than 228 delicious drinks. Kahlúa has a smooth, rich, consistent taste, and blends well with a variety of flavors. For a complete list of Kahlúa drink recipes, log on to www.kahlua.com.
