

## WHAT'S IN YOUR AIR DUCTS?

“SO, A FEW YEARS AGO WHILE CLEANING DUCTWORK WE FOUND BEHIND A REGISTER FOUR HUNDRED DOLLARS OF CONFEDERATE MONEY THAT WAS ACTUALLY BEING STORED IN A BOX BEHIND THAT REGISTER WHICH ENDED UP WE TURNED IT IN OBVIOUSLY TO THE HOMEOWNER. SHE GAVE IT TO HER CHILDREN AND IT ENDED UP TO BEING ONE HUNDRED THOUSAND DOLLARS’ WORTH OF MONEY ONCE THEY CASHED IN THAT CONFEDERATE MONEY. AND THE WOMAN SAID FOR YEARS HER HUSBAND HAD ALWAYS MESSED WITH THIS ONE VENT AND SHE HAD NO IDEA WHAT WAS GOING ON AND HE WAS USING IT LIKE A SAFE, LIKE A HIDING SPOT. IT WAS A PRETTY NEAT STORY.”

“WE GOT A CALL FROM A CUSTOMER ABOUT THREE OR FOUR YEARS AGO SAYING THEY HAD A LITTLE ODOR IN THEIR HOME. THEY DIDN’T KNOW QUITE WHAT IT WAS; THEY WEREN’T SURE IF IT WAS MOLD OR WHATEVER. OUR GUYS GET THERE AND THEY GO INTO THE TRUNK LINE WITH THE VIDEO AND THEY CAN’T FIND ANYTHING, BUT THEY DO SMELL SOMETHING, DEFINITELY, VERY STRONG, NOT A MILD SMELL, AND THEY TOOK SOME OF THE VENT COVERS OFF AND WHEN THEY REMOVED ONE OF THE VENT COVERS THERE WAS A DEAD SKUNK IN THE VENTS.”
