

MAKE AN IMPACT ON CLEAN WATER AND SANITATION

IF YOU'RE WATCHING, THIS THERE'S PROBABLY CLEAN WATER IN YOUR BATHROOM, YOUR KITCHEN AND YOUR CUP. THAT'S NOT THE CASE FOR EIGHT HUNDRED AND FORTY-FOUR MILLION PEOPLE WORLDWIDE. YOU CAN MAKE AN IMPACT BY JOINING ROTARY'S WATER, SANITATION AND HYGIENE EDUCATION INITIATIVE. TOGETHER WITH OUR PARTNERS, WE CAN SOLVE THE CLEAN WATER CRISIS BY 2030. WE'RE ALREADY HARD AT WORK. OUR LOCAL ROTARY CLUBS MOBILIZE COMMUNITY PARTNERS AND INVEST IN RESOURCES TO PROVIDE CLEAN WATER, IMPROVED SANITATION, AND TRAINING. OUR ROTARIANS ARE ROOTED IN THE COMMUNITY, COLLABORATING WITH LOCAL LEADERS FOR LONG-TERM CHANGE. EACH PIECE OF THIS CHAIN IS CONNECTED. NONE MORE IMPORTANT THAN THE OTHER. BUT WE NEED EVERY LINK. WE NEED YOU. BE A PART OF THE SOLUTION. BE A PART OF 2030. VISIT [ROTARY.ORG/WASH](https://rotary.org/wash).
