

VETERANS' NEWS AND NOTES

THE FUTURE CAN HOLD MORE PROMISE THAN MANY WHO HAVE SERVED IN THE ARMED FORCES AND LOST THEIR SIGHT MAY REALIZE.

THAT'S BECAUSE EVER SINCE 1945, THE BLINDED VETERANS ASSOCIATION—OR B-V-A—HAS HELPED BLINDED VETERANS AND THEIR FAMILIES.

IT PROVIDES FREE SERVICE AND ADVOCACY, COUNSELING, AND ENCOURAGES THEM TO TAKE CHARGE OF THEIR LIVES WHILE LINKING THEM WITH TRAINING AND BENEFITS FROM GOVERNMENT AGENCIES.

IF YOU ARE OR KNOW A VETERAN WITH VISION LOSS, OR IF YOU'D LIKE TO HELP, CALL (800) 6-6-9--7-0-7-9 OR VISIT B-V-A--DOT--ORG.
