

SUPPORT IS WHY

WHEN SOMEONE YOU LOVE IS ILL, IT'S IMPORTANT TO REALIZE THAT YOU HAVE LIMITS. IT CAN REALLY HELP YOU BOTH TO HAVE A SOLID SUPPORT TEAM IN PLACE AND FOR YOU TO GET ASSISTANCE WHEN YOU NEED IT. FAMILY, FRIENDS AND YOUR HEALTHCARE PROVIDERS ARE A GOOD PLACE TO START. BUT SOMETIMES CONNECTING WITH OTHERS WHO ARE GOING THROUGH SIMILAR JOURNEYS CAN ALSO MAKE A DIFFERENCE.

(BEGIN *SOUND BITE*): **"IT'S ALL PART OF WORKING TOGETHER ESPECIALLY WHEN YOU LOVE EACH OTHER**

YOU JUST CAN'T DO ENOUGH AND WE HAVE SUCH A HUGE SUPPORT SYSTEM OF FAMILY AND FRIENDS AND SUPPORT THAT

OH YEAH.

WE HAVE BUILT THIS SOCIAL NETWORK OF PEOPLE THAT CARE, AND WE BUILT IT ALL UP TOGETHER. I MEAN, WE'VE BEEN TOGETHER FOR A LONG TIME SO

TWENTY-FIVE YEARS

YEAH YEAH VERY LONG VERY LONG

LIFE IS WHY. SUPPORT IS WHY" (END *SOUND BITE*)
