Zoom-Zoom And Boom

(NAPSA)—ZOOM AND BOOM—Built for car and music lovers alike, this all-new Mazda MP3 delivers hot sounds and sports car performance. Engineers report this breakthrough 2.0-liter vehicle produces 140 horsepower with 142 lbs.-ft. of torque and has the first-ever manufacturer-installed Kenwood MP3 player audio system. Its unique identity is enhanced further by specially-designed 17x7-inch alloys and custom body modifications. At a sticker price of \$18,500 (including destination charges) the new Mazda MP3 may soon have technology buffs, audiophiles and driving enthusiasts singing “Zoom-Zoom.”
