Creating Holiday Atmosphere In An Instant

(NAPSA)—For many people, the holidays aren't complete without the scents of the season. No matter whether it's baking gingerbread or latkes, warming spiced cider or the natural crispness of evergreen trees, these heartwarming scents go a long way toward completing the celebration.

Don't have time to buy a Christmas tree? Working too hard to think about the holidays? Behind on the preparations? Now you can summon the holiday spirit instantly with Crabtree & Evelyn. They capture the essence of holiday with their classic Noel fragrance of pine boughs, cranberry, orange and spices. New this season is Hearth, a sophisticated fragrance that captures the warmth of crackling fires, woods and spices. An alternative to traditional fragrances, it is reminiscent of a fireside gathering with friends and family.

Both fragrances are available in candles, diffusers, environmental oils, room sprays and scented botanicals.

The holiday season can be a feast for the eyes and ears, but the nose truly knows how special this time is.

Also new this year are three spirited Seasonal Personal Care Fragrances, designed to reflect the warmth, joy and spirit of the season.

A great hostess gift this year is their Hand Care Caddy, which comes in Vanilla Blanc, a creamy and sweet scent with notes of jasmine; Pomegranate Rouge, fresh and spirited with sparkling notes of pomegranate and a hint of mistletoe; and Cacao Noir, rich and sensuous, with velvety notes of cacao spiced with pepper berry.

You can also give richly with the Big Sur Caddy, filled with good-for-you Naturals body care products, or take care of your loved one's green thumb with the Chelsea Cache Pot, chock-full of hand care goodies and packaged in a reusable flowerpot. For a gift of beauty, the Milano Gift contains an assortment of La Source body care products and comes in a sparkly zippered cosmetic bag.
