Nail Art Made Easy

(NAPSA)—When it comes to a great way to look and feel chic, quick, you've got to hand it to, well, your hands.

A nice new nail look can change your appearance and your mood in mere minutes.

Making it even easier to dress up your nails is a new kit that contains unique stickers for a nearly instant nail makeover. Similar to the styles of the popular Minx manicure—using a film, not a polish, so there is no smudging, no chipping and no drying time—new Broadway Nail Dress requires no heat for application and can be shaped to any nail. Removing the look is also easy—you just peel them off.

Pretty, easy and fun nail looks can be at your fingertips in nearly no time.

The designs on these Broadway Nail Dress Stickers were originally created by celebrity nail technicians and range from pert plaids to delicate flowers to shiny silver and gold. They're available in most major drugstore chains.
