## Sally Gives You Looks To Captivate Your Crush

(NAPSA)—Soft and shiny describe the way to wow your Valentine, according to Kristi Fuhrmann, makeup and hair key for MTV and spokesperson for Sally Beauty Supply.

For that most romantic of dates, add some shimmer and softness to your look. This is not the time for spikes and chains. Instead, some lace and a curl or two will send your crush reeling. Sally Beauty Supply has just what you need to reveal your softer side.

Irresistible hair begins with healthy hair. A daily dose of vitamins will keep your curls strong. Infusium 23 Pro-Vitamin Shampoo restores hair and leaves it silky smooth. If your hair requires a little extra boost, Folicure Intensive Vitamin Treatment will do the trick. Apply Folicure and wrap your hair in a warm towel for 10 minutes. This is sure to revive dull, lifeless locks.

We all dream of looking like a princess and fairy tale curls are easy with the right tool. The Jilbere Spiral Iron creates a cascade of delicate ringlets. Pull a few strands up with a bejeweled clip for a charming, sweet look. If you prefer something sultry, the Gold 'N Hot Triple Barrel Waver creates the glam of early Hollywood starlets.

Don't let frizzes and fly-always ruin your romance. Keep them under control with Beyond the Zone Frizz Zapper, available only at Sally. This liquid strengthens and conditions while keeping the frizzies at bay.

Smokey, dramatic eyes don't have to be dark. Draw his interest with a heavenly hue such as Lilac or Golden Shimmer Beautique Eye Crayon. The Boggi Iridescent Shimmer Stick can give you an angelic glow. Highlight your eyes and cheeks or add an intriguing shine all over.

To complete your look go for a candy color nail polish such as Rush's Flirt, Crush or Now. These yummy colors dry fast so you don't have to leave your date waiting.

Now that you have the perfect look, enjoy your evening and let Cupid do the rest.
