

## A Good Read

### After Goodnight Moon

(NAPSA)—Parents who enjoyed reading their children the classic bedtime tale, *Goodnight Moon*, may savor the familiar scenes and sentiments found in the follow-up book, *My World*.

***My World* delivers a reassuring portrait of a child's growing sense of identity.**

Originally published two years after *Goodnight Moon* and out of print for 30 years, *My World* has been described as a warm and gentle companion book.

Author Margaret Wise Brown is well known for her ability to capture the defining moments of childhood and the excitement of a child's discovery of the world around him.

The book is illustrated by Clement Hurd, who created the pictures found in *Goodnight Moon* and *The Runaway Bunny*, also written by Margaret Wise Brown. In *My World*, the author and illustrator once more combined their special talents to deliver an enchanting, reassuring portrait of a child's growing sense of ownership and identity.
