

## Tempting Janey

(NAPSA)—A woman finds herself caught in an irresistible dilemma as she endeavors to rebuild her life amid the shadows of her past, in *Tempting Janey* (MIRA Books, \$5.99), the new novel from *USA Today* bestselling author Mary Lynn Baxter.

Janey Mayfield returns to her hometown in South Carolina, with a ton of emotional baggage, to manage the daily operations of her elderly aunt's failing candy shop. Bit by bit, the past she has tried so desperately to hide begins to resurface around her.

While Janey struggles to create a new life for herself and her daughter, her ex-husband will stop at nothing—not even using their child as a pawn—to win his former wife back. Just as Janey begins to feel that her world is about to close in, former marine Dillon Reed—the man whose wife had an affair with Janie's ex-husband—steps into her candy shop, bringing all of her conflicts full circle.
