marriages are happy. It's trying to live together afterwards that causes all the problems.”

Either way, chances are you and your loved ones will enjoy a

new book called “The No Good Dirty Rotten Low Down Book of Love.” Collected there are hundreds of quotes on the perils and hazards of falling into and out of

love, from Marilyn Monroe, Woody Allen, Jennifer Aniston, Oscar Wilde and Lady Diana. It features quips and quotes from Confucius to Tom Cruise, Coco Chanel to Andy Rooney, and Jane Austen to Ernest Hemingway, who said, “When two people love each other there can be no happy end to it.” Dozens of others share their opinions on love, that most universal, talked about, studied yet still misunderstood emotion. It's all laid bare in this irreverent, thoughtful, sweet and funny book.
