Arm Candy

(NAPSA)—Make a big statement this season with one important piece—the wristlet. From the runway to the red carpet and into the hands of fashionistas everywhere, the beaded wristlet is the perfect companion to take you from desk to date in style. Combining fashion with function, the sleek, elegant design adds shine to daytime, dazzles at dinner and simply sparkles all night long. Companies such as Liz Claiborne offer wristlets in an array of colors and patterns to brighten any look. For ideas on how to transform beautiful basics into party-ready pieces or for more information on the latest accessory trends, visit www.lizclaiborne.com.
