## Style And Comfort

(NAPSA)—As a woman, you probably feel you often have to make a choice between fashionable and comfortable when it comes to buying shoes.

Söfft Shoes, now in its second season at retail, is quickly becoming known for its sophisticated

**Enjoy comfortable, fashionable shoes handmade with the utmost attention to detail.**

feminine designs and luxurious detailing. The line boasts the finest European and American leathers with copper adornments such as buttons, buckles, eyelets, etc.

Söfft is everything on-the-go women are looking for in a great pair of shoes. You can have everything from moccasins to fashionable European designs in a variety of sizes and widths without sacrificing comfort.

It's a women's shoe that's designed with the woman in mind. For more information and to look at available styles, go to [www.sofftshoe.com](http://www.sofftshoe.com).
