

Four Top Trends

(NAPSA)—This season, fashion goes from the runway to everyday. Here are four easy and affordable ways to incorporate the latest trends into your wardrobe:

1. Make a statement with must-have colors—amber, burgundy and orange. Found in everyday essentials such as denim, handbags and scarves, they're easy to incorporate into any look.

2. The '70s continue to be popular with vintage-inspired styles. From soft, sheer blouses to flattering wide-leg pants, head-to-toe '70s style can be modern and chic.

3. Add luxe details for less with faux-fur and shearling accents. Make a bold statement with faux-fur trimmed coats and sweaters, or incorporate them into accessories with shearling boots and handbags.

4. Stay cozy with reinvented sweater styles, including ponchos and long cardigans. Choose from a variety of details, such as pointelle textures, cable-knit patterns and rosette accents.
