

TIPS ON TRIPS

An Online Travel Site That Takes You Far

(NAPSA)—Whether you're looking to rent a motorcycle in Alaska or a room in a castle in England, a little forethought and the right travel site can help you have the vacation of a lifetime.

A popular tour and vacation search engine that has dramatically increased its search capabilities can now help you look for a vacation anywhere in the world.

The screenshot shows the homepage of Tours.com. At the top, there is a search bar and navigation links for Home Page, Travel Resources, Browse Tours & Vacations, Find a Travel Agent, Travel Store, and Tourist News. Below the search bar is a welcome message and a search form with dropdown menus for Global Destinations, US Destinations, and Types. A grid of tour categories is displayed, including Adventure, Art, Camping, Culinary, Ecotour, Festivals, Gourmet, Horseback, Marathon, Photography, Safari, Sustainable, Student, and Whale Watching. Other categories include Agriculture, Airline, Boat, Chariot, Climbing, Diving, Ecological, Educational, Fishing, Hiking, Historical, Hunting, Motorcoach, Rafting, Sailing, Snow/Skiing, Sports, Train, Trekking, and Women. The page also features sections for Recently Added Tour Operators, Travel Resources, and Travel Tips.

You can go far with free, timely and unbiased information from a popular travel site.

The site, Tours.com, which has had the same owners and key executives since 1995, provides the traveling public free, timely and unbiased information on tours and vacations throughout the world. With its increased search capabilities, travelers can now find the perfect vacation by destination, activity, company name or keywords. The site also has an extensive Travel Resources Section where you can find everything you need when planning your trip—from all airlines of the world, major travel booking sites with descriptions of their specialties, car rental companies, a comprehensive search engine for cruises, barges, boats, yachts and ferries, and a special search engine for railroad and rail vacations, just to name a few. It's worth it to check it out.
