

The Language of Love

How To Add Romance To Your Life

(NAPSA)—There's a lot to like about love and it's easier than you might imagine to add a little romance to your life. Sometimes all it takes is a tiny gesture to spark the magic of love. Here are some romantic tips your sweetheart will love:

- Find a four-leaf clover and present it together with this note: "I got lucky when I found you."

- Make a habit of taking a stroll after dinner every evening and start holding hands again the way you did when you first met.

- Bring flowers home for no reason or bring home one flower a day for one solid month.

Music and love poems can also help you speak the eternal language of love and romance. Good examples of this are the timeless lessons and everyday truths from the most romantic book of the Bible. Happily, these are now complemented with an extraordinary musical score, bringing this first-ever dramatization of the Old Testament's Song of Solomon to life with a masterful blend of sensuous narration and musical imagery.

Handpicked word for word from six different translations of the Bible, "The Original Love Song" captures the charm and poetic flow of the old-world vernacular while stirring your emotions with intimate inflection. Each and every verse is then complemented with its own superbly crafted musical composition, tastefully weaving the most famous love poems of all time into a compelling, theatrical-style story.

Although the initial and apparent benefits are wholesome, romantic thoughts, the real value

PLAY On—If music be the language of love, there's a CD that will help you embark on a lifelong journey of love and intimacy.

comes with a much deeper understanding and far greater insight into what the Bible says about intimate behavior, desire and virtue.

Conceived initially as a must-have wedding CD for all young couples about to embark on a lifelong journey of love and intimacy, the authentic interpretation of "The Original Love Song" also sings true for noted Christian scholars. Their wholehearted recommendations help confirm "The Original Love Song" as an excellent resource CD, making it the only reference of its kind for marriage ministries and church libraries.

Should you be looking for a wedding gift, something special for an anniversary or simply a romantic gift for someone you love, it's not hard to express your affection with "The Original Love Song." If you listen closely, you can't help but hear the language of love.
