It's Not Just Burgers, Fries and Shakes Anymore

(NAPS)—These days, thousands of business establishments are equipped with convenient drive-thru services for customers on the go. It's possible to purchase almost anything from the comfort of your car.

Burger King Corporation initiated a search for the top ten zaniest drive-thru services in the country and came up with this list of top ten favorites.

10. Say "I do" at one of Las Vegas' famous, quickie, drive-thru wedding chapels.

9. Dropped a soda and stained your pants? No problem. Just zip on over to the drive-thru cleaners in Miami.

8. Visit a coffee shop in Maine and get your caffeine fix with a hot cup of java through your car window.

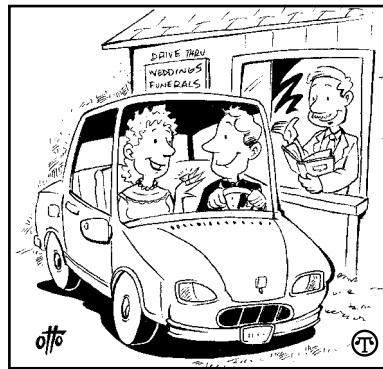

7. Cocktail, anyone? In Leesville, Louisiana you can place your order at a drive-thru liquor store.

6. Pay your respects on the move at a drive-thru funeral home in Mississippi.

5. Forgiveness has never been so convenient! Salvation is easy at a drive-in church in Daytona Beach, Florida.

4. Even flu shots don't require a trip to the doctor anymore. Get yours at a Houston medical center drive-thru for only ten bucks. One catch—you must stay off the road for 20 minutes to ensure you have no adverse reactions to the shot.

3. Take a peek at an adult entertainment establishment in Pennsylvania that provides a con-

You can now get practically everything from a wedding to a flu shot at a drive-thru.

venient drive-by window for patrons who would rather enjoy the sights from the comforts of their own cars.

2. Hot dogs! Popcorn! Boiled peanuts? Apparently boiled peanuts are a very popular item on the Gulf Coast since they are readily available at a drive-thru in Mobile, Alabama.

1. A drive-thru daiquiri shop in New Orleans serves cool, alcoholic daiquiris to thirsty motorists! Go figure...

Drive-thrus have definitely come a long way. Back in 1975, Burger King® restaurants introduced drive-thru service, providing hot, fresh, great-tasting food to customers in their cars. This was considered a breakthrough in the quick-service food industry. Undoubtedly, the millennium will bring even more innovative ways to use the drive-thru.
