Teens Celebrate Their Sixteenth In “Suite” Style

(NAPSA)—Teenagers with more sophisticated tastes can now make their sixteenth birthday truly sweet with a celebration styled after the MTV show “My Super Sweet 16.”

Teens can celebrate this rite of passage in true Daytona Beach style at Ocean Walk Village, an ocean-side vacation and entertainment district.

There, they can live the life of a super sweet 16-year-old, with parental supervision, in their very own deluxe suite fully stocked with munchies and favorite flicks.

The sassy Suite Sixteen package runs through December 2006 and also includes:

- a rousing ride in a Hummer Limo
- your own lotion or salt scrub at Bath Junkie
- teen spa treatments
- birthday breakfast in bed
- suite stocked with junk food goodies
- dinner at Johnny Rockets at Ocean Walk Shoppes
- your choice of Cold Stone Creamery Cake
- private movie viewing at Ocean Walk Movies 10
- keepsake photograph
- Sweet Suite Accommodations for One.

Special suites make for a very trendy sixteenth birthday party at an ocean-side vacation and entertainment district.

From tabeletop jukeboxes and flirty poodle skirts at the All-American Johnny Rockets and exclusive movie screenings to teen-tailored spa treatments and keepsake mementos, it's the kind of party people will talk about for years to come.
