Toy Buying For Kids With Special Needs

(NAPSA)—To help bring the joy of play to children of all abilities, a supportive new guide to toys will help parents and caregivers make an appropriate selection.

Called “Let’s Play: A Guide to

THE JOY OF PLAY—The experience of toys and play delivers happiness to all youngsters including those with special needs.

Toys for Children With Special Needs,” the unique family resource features a wide variety of toys that will appeal to children with special needs, such as visual, physical, speech and hearing impairments, as well as learning disabilities and attention deficit disorder (ADD).

The publication is produced and distributed by an authoritative voice of the industry—Toy Industry Association (TIA™) for the Toy Industry Foundation (TIF™). TIF is the industry’s philanthropic organization.
