

## Timely Tax Guidance

(NAPSA) — **INCOME TAXES!!!!** ...*people dread them...people face them...and people suffer through them every year.* Many wonder why

some people seem to cope better than others. It could be because they keep good records, they don't have a very complicated financial picture, or they're extremely adept at understanding the ever-shifting laws and rules of the IRS. Unfortunately, for the majority of people, income taxes are an annoying, possibly expensive, and stressful part of life in America.

Fortunately, **Ernst & Young's**

**Tax Guide 2001** and **J.K. Lasser's™ Your Income Tax 2001** can help decipher this seemingly endless tax nightmare. These best-selling annual tax guides highlight some of the most easily overlooked tax deductions including:

- Accounting fees for tax preparation services and IRS audits
- Alcoholism and drug abuse treatment
- Cellular telephones
- Cleaning and laundering services when traveling
- Contact lenses, eye glasses, and hearing devices
- Contraceptives, if bought with a prescription
- Costs associated with looking for a new job in your present occupation

Don't miss out on these comprehensive tax guide essentials, they are the next best thing to a personal tax advisor. The **Ernst & Young's Tax Guide 2001** and **J.K. Lasser's™ Your Income Tax 2001** are available in bookstores or by calling 1-800-225-5945.
