

# Spread The Joy Of Savings This Season

(NAPSA)—Finding great gifts, holiday party outfits and home decor for less can be one of the season's most satisfying joys when it comes to shopping. Fortunately, there are places to find the hottest gifts and fashions for prices that won't dampen your holiday cheer.

"For many people, holiday shopping can be very stressful, both physically and financially, but it doesn't have to be," said style expert Amy Cafazzo. She recommends shopping at an off-price retailer such as Marshalls, where you can be sure you're getting great value, quality and style at up to 60 percent off department store prices.

While most retailers only stock up on merchandise at the beginning of the season, Marshalls stores receive over 10,000 new pieces each week, ensuring that you will find on-trend, in-season, brand-name items throughout the holiday season!
