A Gift That Makes A Difference

(NAPSA)—One holiday gift that can keep on giving all through the New Year is a tax-deductible contribution, in honor of that special person on your gift list. Many people are choosing an organization that's been providing guide dogs, free of charge, to blind people for more than 50 years.

Help provide a free guide dog for a blind person through a donation in honor of a loved one.

The Guide Dog Foundation provides Second Sight[®] to people who are blind or visually impaired, through the use of guide dogs. The person you are honoring with your contribution will receive a special note, explaining how the gift will help provide a guide dog to enhance the life of a blind person.

Donations, which help ensure the success of the Foundation's programs and services, can also be made:

- In memory of a loved one or friend
- In celebration of a special occasion—graduation, birthday, anniversary
- Just because you care about helping people who are blind.

For more information, call the Foundation at (800)548-4337; or visit www.guidedog.org. Donations can be made by check, credit card, or online at the Foundation's Web site.
