Chance To Shop Till You Drop With Stars Of Pop

(NAPSA)—If the chance to go on a Beverly Hills shopping spree with two pop stars sounds like music to your ears, a new contest may be for you.

Multitalented sisters Hilary and Haylie Duff are the stars of a new contest that asks participants to help settle a friendly disagreement between the sisters.

Grand prize is a four-day, three-night trip for the winner and three guests to Los Angeles, a chance to meet the celebrity siblings and:

- A \$2,500 Rodeo Drive shopping spree
- A fabulous makeover and haircut at a Beverly Hills salon
- A private limo tour of celebrity homes.

The sisters' disagreement centers on Ice Breakers Liquid Ice mints from Hershey Foods Corporation. It seems Haylie thought the cool mints had a liquid center, but Hilary thought it was ice. Since, as Hilary puts it, the two sisters "agree on everything," from clothes to hairstyles to guys, the disagreement has caused some confusion.

"We agree on absolutely every-

thing, especially the importance of fresh breath," said Hilary.

"So when she thought that Ice Breakers Liquid Ice was liquid and I thought it was ice, well, I knew she had to be right...and she knew I had to be right!" Hilary added. The mints are available in spearmint, cinnamon and the original cool mint. They have zero calories and can give fresh breath fast.
