

# MAKING FAMILY LIFE MORE FUN

## Exploring America With Tasty Snacks On Board

(NAPSA)—For many students, field trips offer an exciting hands-on learning experience. As part of a new sweepstakes, three lucky families will each win the ultimate excursion just for the family—an exciting and educational weekend getaway where they can learn together and plan their own fun.

Winners of the Farm Rich Family Fun Trek Sweepstakes will choose their destinations from among several exciting and educational alternatives, including trip packages to Washington, D.C., Chicago or Orlando. Additional sweepstakes prizes include 50 gift cards from American Express valued at \$100 each, for winners to use as part of a fun family outing together.

Of course, while on such a terrific trek, it's important to eat right. Farm Rich offers a great-tasting, wholesome product lineup that includes the top-selling brand of breaded cheese sticks, along with the popular French Toast Sticks and the newest additions to the product line: Mini Stuffed Pizza Slices and Mozzarella Bites.
