Bread Pudding Pleasure

(NAPSA)—Anyone who has ever tasted the warm, rich and comforting flavor of a hearty bread pudding will be glad to know it's now available in the supermarket. That means you can enjoy the sweet scent, homemade taste and nostalgic feeling of that wholesome treat whenever you like—and without all the work.

When you're nostalgic for an old-fashioned bread pudding, look in the refrigerated section of the grocery store.

An allowable indulgence, Kozy Shack All Natural Bread Pudding is made with real milk and no preservatives or artificial flavors. Each individually portioned, 150- to 160-calorie serving is packaged for convenience and ready to serve from the dairy case. The unique, grab-and-go delight comes in three delicious flavors: Cinnamon Raisin, Apple Cinnamon and Peach.
