

Get Your Dairy Back

(NAPSA)—If you have a passion for pudding but have avoided indulging in your favorite sweet treat due to lactose intolerance, there's now a delicious alternative—lactose-free dairy puddings.

Kozy Shack now offers three creamy, classic puddings brimming with the wholesome goodness of real milk, delivering a good source of calcium without the lactose.

Made with the goodness of real milk, these puddings are lactose free.

Lactose-Free Rice Pudding—this rich delectable dessert is the ultimate comfort food.

Lactose-Free Tapioca Pudding—with silky pearls of tapioca swirled in a creamy pudding.

Lactose-Free Chocolate Pudding—with the taste of a milk chocolate masterpiece in each spoonful—featuring the delightful indulgence of real cocoa.

The puddings are gluten free and made without artificial colors or flavors. They do not contain artificial preservatives or hydrogenated oils. Packaged for convenience, the products are available in ready-to-serve portions in the dairy cases of food retailers.
