

# Pucker Up With New Kool-Aid Super Sour Kool Kubes

(NAPSA)—How much sour can you handle? Your friends and family will find out with new Kool-Aid® Super Sour Kool Kubes™. The easy-to-make, brightly colored ice cube treats create a number of puckering possibilities when added to your favorite flavors of Kool-Aid. The sour bursts of flavor from the melting ice cubes will tickle taste buds and imaginations, and lead to possibly the biggest Kool-Aid smiles yet.

You can create your own colorful, creative mixtures of Super Sour Kool-Aid for special days, holidays or every day. For example, add Berry Blue Kool Kubes to Cherry Kool-Aid to create a super sour patriotic punch. Add Grape Kool Kubes to Orange Kool-Aid for Halloween “Ghoul-Aid.” Or, for a tropical touch, add Mandarin-Tangerine Kool Kubes to Lemonade Kool-Aid.

Kids will love experimenting with the different cubes and flavors to create their own super sour concoctions of different colors and intensities. Even the youngest kitchen helper can make Super Sour Kool Kubes with just a little help. So, prepare your taste buds and pucker up for a super fun, super sour experience.
