Elizabeth Hurley “Got Milk?” Ad

(NAPSA)—Mom, Swimwear Designer, Actress and Model. Elizabeth Hurley has always been on the go and now has another role to add to her resume, becoming the newest “got milk?” “Milk Mustache” celebrity. Hurley joins the ranks of recent Milk Mustache celebrities Kelly Preston, Sheryl Crow and Serena Williams. The ad copy reads: “Hot mama. Even in my role as mom, I want to look great. So I drink milk. Studies suggest that people who drink milk regularly tend to weigh less and have less body fat than those who don’t. So raise a glass and let milk play its part.” The ad debuts in Parade magazine.
