

GREAT GRILLING

Let's Talk Turkey: New Twists On Grilling

(NAPSA)—Who can resist the inviting smell of a barbecue, and the gathering of friends and family on a beautiful summer day? With warmer temperatures just around the corner, it's time to fire up the grill for another season of neighborhood block parties, family reunions and baseball games. How can you make the meals you grill as special as the people you've invited? Easy! There's a multitude of simple and distinctive recipes people can add to their grilling menus for a new twist to this popular summer activity.

According to the Barbecue Industry Association, 75 percent of Americans grill, and 57 percent grill year-round! Today it seems that you can toss just about anything on the grill, but the summer's hottest trend in grilling is turkey. Grill-meisters across America are discovering that turkey is a convenient, flavorful and healthful grilling option. With a variety of grill-friendly turkey products on the market today—ground turkey, ground turkey burger patties, bratwursts, polish sausages, turkey breast cutlets and tenderloins—turkey is clearly not just for Thanksgiving anymore.

When grilling out with family and friends, try spicing up old favorites, such as kabobs, with turkey and honey mustard sauce for a unique taste.

Honey Mustard Kabobs

- 1 package Jennie-O Turkey Store™ Boneless Breast Tenderloins, cut into 1¼-inch chunks**
- 1 red bell pepper, cut into 1-inch chunks**

Increasingly, turkey is taking its place on the grill—and people are “gobbling” it up.

- 1 yellow or green bell pepper, cut into 1-inch chunks**
- 1 medium onion, cut into 1-inch chunks**
- ½ cup prepared honey mustard barbecue sauce**

Prepare grill. Alternately thread turkey and vegetables onto 8 (10- to 12-inch) metal skewers or soaked bamboo skewers. Brush half of honey mustard barbecue sauce over kabobs. Grill for about 6 minutes, about 5 inches from heat source. Brush remaining sauce over kabobs; turn and continue to cook about 8 minutes longer or until turkey is no longer pink in center, turning occasionally. Makes 8 servings.

Jennie-O Turkey Store offers consumers an array of value-added turkey products that can be enjoyed all year long—providing consumers turkey for the way they live today, both on and off the grill. These products are available at supermarkets and supermarket delis nationwide.
