SET A HUMANE TABLE

MORE PEOPLE THAN EVER CARE ABOUT HOW THEIR FOOD IS RAISED AND WANT TO MAKE CHOICES IN LINE WITH THEIR VALUES. RESEARCH BY AMERICAN HUMANE SHOWS THAT OVER NINETY PERCENT OF AMERICANS ARE VERY CONCERNED ABOUT FARM ANIMAL WELFARE, AND THREE-QUARTERS WOULD PAY MORE FOR HUMANELY RAISED FOODS. AT A RECENT CONGRESSIONAL BRIEFING, AMERICAN HUMANE CALLED ON THE NATION TO SET A HUMANE TABLE AND SUPPORT HUMANELY RAISED FOODS. TO DO THIS AND FIND A LIST OF AMERICAN HUMANE CERTIFIED PRODUCERS, VISIT AMERICAN-HUMANE--DOT--ORG.
