

TIPS FOR HAVING A SMART MOVE

DO TWO SMART THINGS THE NEXT TIME YOU MOVE INTO A NEW HOME. ONE, PACK A FIRST-NIGHT BOX. YOU DON'T WANT TO HUNT FOR TOOLS, CHARGERS, LINENS, TOILETRIES—OR THE COFFEEPOT. TWO, SET UP YOUR INTERNET, T-V AND PHONE SERVICE IN ADVANCE. THAT WAY, YOU CAN STAY CONNECTED TO WHAT MATTERS: FAMILY, FRIENDS—AND THE INTERNET. YOU'LL BE ABLE TO EXPLORE FOOD DELIVERY OPTIONS, SHOP ONLINE FOR HOME GOODS AND ORDER SUPPLIES FOR YOUR NEW HOME. AND THE BEST PART IS, YOU'LL BE ABLE TO KICK UP YOUR FEET TO WATCH YOUR FAVORITE SHOWS AT THE END OF THE DAY. STAY CONNECTED TO YOUR WORLD AT SMART-MOVE--DOT--U-S.
