## ODOR-FIGHTING SOCKS PREVENT SMELLY FEET

THANKS TO A NEW LINE OF ODOR-FIGHTING SOCKS, PEOPLE NO LONGER HAVE TO SUFFER FROM SMELLY FEET. SHOES AND BOOTS CREATE A HARSH ENVIRONMENT FOR FEET—A PERFECT BREEDING GROUND FOR BACTERIA, FUNGI AND NOXIOUS SMELLS. MANUFACTURED WITH SILVER PARTICLES THAT HELP CONTROL BACTERIAL GROWTH, SCENT-LOK SOCKS CAN KEEP SOCKS SMELLING FRESH FOR DAYS, EVEN WEEKS. AND BECAUSE THE PARTICLES ARE EMBEDDED INTO THE SOCK FIBERS, THEY CAN CONTROL ODOR FOR THE LIFE OF THE SOCKS. GO TO SCENT-LOK-SOCKS--DOT--COM. S-C-E-N-T-L-O-K-SOCKS--DOT--COM.
