

TECHNOLOGY IMPROVING LIVES

PHYSICAL AND EMOTIONAL ISOLATION ARE TREMENDOUS OBSTACLES FOR VETERANS WHO HAVE LOST SIGHT—BUT HELP IS IN VIEW. THE **BLINDED VETERANS ASSOCIATION**, OR **B-V-A**, CONNECTS VETERANS OF ALL AGES TO SUCH ADAPTIVE TECHNOLOGY AS VIDEO MAGNIFIERS, AUDIBLE MONEY IDENTIFIERS, MOBILITY AIDS, AND INTERNET SURFING DEVICES TO RECONNECT THEM TO THE WORLD. AN ANNUAL **B-V-A** CONVENTION AND **EXHIBIT HALL** SHOWCASES INNOVATIVE PRODUCTS AND SERVICES THAT SIMPLIFY AND ENHANCE LIFE FOR VISUALLY IMPAIRED VETERANS. LEARN ABOUT THE TECHNOLOGY AND HOW **B-V-A** MAKES IT ACCESSIBLE AT B-V-A--DOT--ORG.
