

## CAR CARE CORNER

TO KEEP YOUR CAR ON THE ROAD TO SAFETY, DO SIX THINGS BEFORE YOUR NEXT TRIP: MAKE SURE YOUR BATTERY IS SECURELY MOUNTED AND THE CONNECTIONS ARE CLEAN, TIGHT AND CORROSION-FREE. IF IT'S MORE THAN THREE YEARS OLD, GET IT TESTED. HAVE YOUR BRAKES INSPECTED BY AN A-S-E-CERTIFIED TECHNICIAN. SEE THAT YOUR WASHER FLUID AND COOLANT RESERVOIRS ARE FULL. CHANGE THE OIL AND FILTER ON SCHEDULE. REPLACE WINDSHIELD WIPERS EVERY SIX MONTHS OR WHENEVER YOU SEE PROBLEMS.
