## WHEN BUILDING, SIZE MATTERS

AS ONE CONTRACTOR TO ANOTHER, LET ME TELL YOU: SIZE MATTERS. THE SIZE OF YOUR INSULATED CONCRETE FORMS, THAT IS. TO SAVE TIME AND MONEY ON YOUR NEXT CONSTRUCTION PROJECT, CONSIDER LARGE, QUALITY I-C-Fs FROM NUDURA (NEW-DUR-A). THEY'RE MADE WITH DURAMAX TECHNOLOGY SO YOU CAN PLACE TWELVE SQUARE FEET OF WALL IN ONE STEP. BECAUSE THEY'RE THE BIGGEST BLOCK AROUND, YOU GET FASTER INSTALLATION, LESS WASTE AND A REDUCED AMOUNT OF SEAMS SO YOUR LABOR COSTS ARE LOWER.
