

THE POWER TO TAILGATE

THERE ARE ABOUT FIFTY MILLION AVID TAILGATERS IN THE U-S, AND UP TO THIRTY-FIVE PERCENT NEVER ENTER THE STADIUM FOR THE GAME. THIS KIND OF DEVOTION TO THE PREGAME REQUIRES THAT TAILGATERS GET THE BEST EQUIPMENT TO LEVELUP. THE GENERAC I-Q-TWO-THOUSAND DOES JUST THAT. THIS IS THE QUIETEST PORTABLE INVERTER GENERATOR OUT THERE AND IS ALSO THE MISSING LINK BETWEEN THE GAME ITSELF AND THE BEST SPORTING EXPERIENCE FOR FANS—GIVING POWER TO THE PARKING LOT, QUIETLY—SO FANS CAN ENJOY THOSE HI-DEF T-V'S, BLENDERS, MICROWAVE OVENS, AND EVEN GAMING SYSTEMS. FIND A GENERAC DEALER AND LEARN MORE AT GENERAC-I-Q--DOT--COM.
