EASY, QUICK, MOVING HACKS

Are you among the forty million people moving this year? Designer Libby Langdon advises making over your move. (Begin Sound Bite): "A new home is a blank canvas—give yourself permission to do things differently. Repurpose household staples like books, dishes and photos for a chic new designer look." (End Sound Bite) Discover Libby's secrets for making a new house feel like home in her moving makeover video series on cablemover—dot—com. Get a free moving guide, timelines, checklists, and schedule your cable T-V and phone connection services in advance of your move. Before you move, visit cablemover—dot—com.
