

POINTERS FOR PARENTS

THE RIGHT EQUIPMENT CAN HELP THE SCHOOL YEAR GO MORE SMOOTHLY. CONSIDER THIS: U.S. SCHOOLS NOW BUY MORE CHROMEBOOKS THAN ALL OTHER COMPUTERS COMBINED, SO HAVING ONE AT HOME, TOO, CAN HELP YOUR KIDS KEEP THEIR LEARNING ON TRACK. STUDENTS CAN GET ONLINE, DO RESEARCH, WRITE DOCUMENTS AND STAY IN TOUCH WITH AN ACER CHROMEBOOK FIFTEEN. MANY KIDS APPRECIATE A FLEXIBLE NOTEBOOK THAT WORKS IN ALMOST ANY POSITION, SUCH AS THE ACER CHROMEBOOK R ELEVEN. A COMPUTER THAT'S PORTABLE AND EASY TO FIT IN A BACKPACK IS THE ACER CHROMEBOOK FOURTEEN. LEARN MORE AT ACER--DOT--COM.
