

SAFETY ON THE ROAD

DO YOU WANT TO SEE BETTER WHEN DRIVING AT NIGHT? THEN DON'T FORGET A CRITICAL CAR CARE COMPONENT: THE HEADLIGHTS. YOU HAVE CHOICES WHEN IT COMES TO VEHICLE HEADLIGHTS. FOR EXAMPLE, HIGH-PERFORMANCE HALOGEN HEADLIGHTS, SUCH AS SYLVANIA SILVER-STAR ULTRA, INCREASE VISIBILITY FARTHER DOWN THE ROAD, HELPING DRIVERS REACT SOONER. JUST REMEMBER TO REPLACE HEADLIGHTS IN PAIRS SINCE THEY'RE ON THE SAME AMOUNT OF TIME, AND KEEP YOUR LIGHTS CLEAN. LASTLY, IF YOU CAN'T REMEMBER WHEN YOUR HEADLIGHTS WERE REPLACED, IT'S PROBABLY TIME. FOR MORE HEADLIGHT TIPS, VISIT SYLVANIA--DOT--COM.
