

CAR CORNER

FOR A LESS EXPENSIVE, MORE COMFORTABLE RIDE, YOU WANT TO HAVE A CLEAN AIR FILTER IN YOUR CAR. CABIN AIR FILTERS KEEP ODOR-CAUSING CONTAMINANTS, POLLEN, DUST, POLLUTANTS, BUGS AND DEBRIS OUT OF THE CAR'S INTERIOR—YET MANY DRIVERS DON'T EVEN KNOW THEY EXIST. SOME FILTERS ARE BETTER THAN OTHERS. THE ONES FROM A-C-DELCO, FOR EXAMPLE, FEATURE LAYERED CONSTRUCTION TO CAPTURE BOTH LARGE AND VERY SMALL PARTICLES AND FOR STRENGTH. FOR FURTHER FACTS AND TIPS ABOUT CABIN AIR FILTERS AND OTHER AUTO PARTS, GO TO A-C-DELCO--DOT--COM.
