DENTIST JAMIELYNN HANAN-JAHR (HAN-AM-YAR) OF MY-BEVERLY-HILLS-DENTIST--DOT--COM HAS A SIMPLE TIP TO IMPROVE YOUR ORAL HEALTH. (BEGIN *SOUND BITE*): **I THINK STERIPOD IS A GREAT INVENTION TO HELP EVERYONE KEEP THEIR TOOTHBRUSH FRESH AND CLEAN BETWEEN USES AND AVOID CROSS CONTAMINATION. SO WHEN YOU'RE DONE BRUSHING YOUR TEETH, YOU WANT TO TAKE A STERIPOD THAT CONTAINS A NATURAL VAPOR SHIELD MADE FROM THE THYME PLANT AND YOU'RE GOING TO PUT IT OVER YOUR TOOTHBUSH AND THAT WAY IT STAYS CLEAN AND SAFE IN YOUR BATHROOM BETWEEN USES.** (END *SOUND BITE*) LEARN MORE AT [GET-STERIPOD--DOT--COM](http://GET-STERIPOD--DOT--COM).
