VETERANS NEWS AND NOTES

SERVICE-RELATED INJURIES AFFECT A VETERAN'S WHOLE FAMILY. FOR EXAMPLE, MORTAR FIRE LEFT SERGEANT SEAN JOHNSON WITH A TRAUMATIC BRAIN INJURY THAT CAUSED PROBLEMS WITH HIS VISION. FORTUNATELY FOR HIM AND HIS WIFE MELISSA, THE BLINDED VETERANS ASSOCIATION—OR B-V-A—COULD PROVIDE NEEDED RESOURCES. MELISSA, NOW SECRETARY OF THE NATIONAL B-V-A AUXILIARY BOARD, SAYS B-V-A PROGRAMS AND OUTREACH ARE ABSOLUTELY CRITICAL TO RECOVERY. LEARN MORE ABOUT HOW B-V-A HELPS VETERANS AND HOW YOU CAN HELP THE ORGANIZATION AT B-V-A--DOT--ORG.
