## HEALTH AWARENESS

MULTIPLE SCLEROSIS IS TRYING TO SHUT PEOPLE DOWN. THAT'S WHAT IT DOES. M-S DISRUPTS SIGNALS, DIVIDES MINDS FROM BODIES, PULLS US FROM OUR LIVES AND AWAY FROM EACH OTHER. M-S DESTROYS CONNECTIONS. SO IT'S ONLY FITTING THAT CONNECTIONS WOULD BE ITS GREATEST ENEMY. BECAUSE AS MORE CONNECTIONS FORM, MAYBE MORE QUESTIONS WILL LEAD TO MORE ANSWERS. MAYBE MORE UNDERSTANDING WILL LEAD TO MORE RESOURCES. MAYBE MORE PEOPLE SHARING WHAT THEY'VE LIVED THROUGH WILL LEAD TO BETTER LIVES. AND IF EVERYONE TOUCHED BY THE DISEASE—EVERY PERSON WITH M-S, EVERY FAMILY AFFECTED BY IT, EVERY DOCTOR TREATING IT AND EVERY INDIVIDUAL WHO HEARS WHAT THIS DISEASE DOES—COMBINE THEIR EFFORT AND KNOWLEDGE AND HOPE, THEN MAYBE THE CONNECTIONS WE MAKE CAN BECOME MORE POWERFUL THAN THE CONNECTIONS M-S DESTROYS. M-S KILLS CONNECTION. CONNECTION KILLS M-S. GIVE WHAT YOU KNOW AT [M-S-CONNECTION--DOT--ORG](http://M-S-CONNECTION--DOT--ORG).
