## HINTS FOR HOMEOWNERS

NO MATTER THE SEASON OR THE REASON, WHEN HOMEOWNERS NEED TO ELIMINATE MOISTURE TO HELP CREATE A MORE COMFORTABLE HOME, A DEHUMIDIFIER IS A VALUABLE TOOL. WHEN CHOOSING ONE, HOMEOWNERS HAVE A NUMBER OF OPTIONS. THE NEW HONEYWELL DEHUMIDIFIERS, FOR EXAMPLE, INCLUDE UNITS WITH DETACHABLE WATER TANKS AND AUTOMATIC SHUTOFF; SMART CONTROLS THAT MAINTAIN PRE-SET HUMIDITY LEVELS; AND FULL-FEATURE DIGITAL CONTROLS WITH ELECTRONIC DISPLAY. AND EACH MODEL IS ENERGY STAR CERTIFIED. FOR MORE INFORMATION, VISIT [J-MATEK--DOT--COM--SLASH--DEHUMIDIFIERS](http://J-MATEK--DOT--COM--SLASH--DEHUMIDIFIERS).
