## "B" FREE OF MOUTH PAIN

THERE'S NOW A PLEASANT, NATURAL WAY TO RELIEVE TEMPORARY PAIN FROM MOUTH SORES. IT'S DONE WITH A DOSE OF VITAMIN B-TWELVE AND HYALURONAN (HI-ALL-UR-O-NAN) IN THE FORM OF AN ORAL ADHERING DISC THAT SLOWLY DISSOLVES IN YOUR MOUTH. YOU SIMPLY PLACE THE DISC NEAR—NOT ON—THE SORE. THE DISC COATS AND SOOTHES WHILE IT DISSOLVES AND SUPPORTS NATURAL HEALING. IT WORKS WITH CUTS FROM BRACES AND DENTURES. CALLED H-B-TWELVE MELTS, THE DISCS ARE AVAILABLE AT C-V-S PHARMACIES AND ORA-COAT--DOT--COM. CALL 8-7-7--6-7-2--6-5-4-1 TO LEARN MORE.
