BE CAR CARE AWARE

WHILE MOST MOTORISTS ARE FOND OF WHAT'S KNOWN AS THAT "NEW CAR SMELL," THERE ARE SOME OTHER SPECIFIC ODORS THAT MOTORISTS SHOULD ALSO BE AWARE OF. FOR EXAMPLE, ANY SMELL OF FUEL IS AN INDICATION OF A POSSIBLE FIRE HAZARD, SO IMMEDIATE ATTENTION SHOULD BE GIVEN. ACCORDING TO EXPERTS AT THE CAR CARE COUNCIL, IDENTIFYING SUSPECT SMELLS LIKE BURNT RUBBER, HOT OIL OR ROTTEN EGGS CAN HELP AVOID THE HASSLE AND EXPENSE OF AN UNEXPECTED BREAKDOWN. FOR A COPY OF THE COUNCIL'S "CAR CARE GUIDE" OR FOR MORE INFORMATION, VISIT CAR-CARE--DOT--ORG.
